Why Choose ProPick

by MPC™
Maintenance Solutions

Proven Expertise

1. Proven Expertise

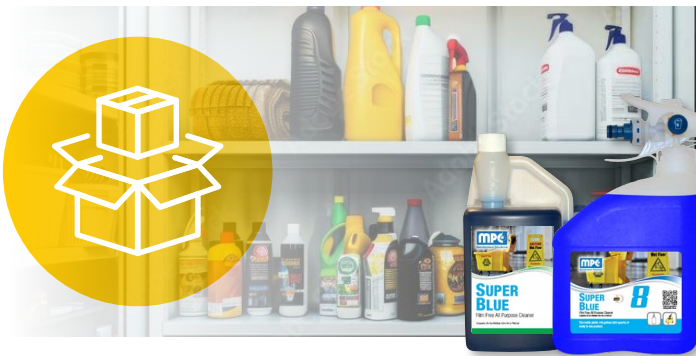

With decades of expertise in the field, our local representatives are equipped with in-depth knowledge to help you make the best product selections for your business. We're more than just a supplier—we're your go-to resource for all things cleaning.

2. Time and Labor Savings

Our program is designed to streamline your operations, providing efficient, high-performing products that reduce labor costs and increase productivity. Spend less time cleaning and more time focusing on what matters most: growing your business.

3. Unique Packaging for Portability & Space-Saving

Maximize storage space with our innovative super-concentrated formulations & packaging. Whether you're working with limited storage or looking to optimize your supply closet, our products are packaged with space-savings & portability in mind, allowing you to stock up without sacrificing valuable space.

4. Safety and Effectiveness

At the core of the Pro Pick by MPC™ Program is a commitment to safety. Our products are designed to be effective while ensuring the well-being of your employees and the environments you service. You can trust that our solutions get the job done right the first time, without compromising safety.

5. Comprehensive Training Programs

We don't just supply products; we provide the knowledge to use them effectively. Our detailed training programs ensure your team is equipped with the expertise needed to use our products correctly, maximizing both their effectiveness and your investment.
